

Patient Instructions for In-Office Appointments

1. Once you have scheduled your appointment, please go to our website, <https://www.beckerentandallergy.com/forms> and complete the appropriate new or return patient forms prior to your appointment. *Please make sure you have Acrobat Reader installed for proper submission of form. If you do not have this installed, a link is available on our website for easier access.*
2. Please **arrive at least 15 minutes early** for your appointment to avoid rescheduling. **Please make sure to have your copayment, insurance and photo ID ready in hand when you come into the office.**

At this time, we are allowing a **limited number** of patients to wait in our waiting rooms. If we are at capacity, we kindly ask that you remain in your car or outside of the office until more seating is available.

**** In an effort to reduce the number of individuals in our facility we ask that you attend your visit unaccompanied if possible. ONE parent/caregiver may accompany the patient to their appointment if necessary.**

Even if you have been fully vaccinated, face covering/masks are still required in our offices.

Thank you in advance for your cooperation with our protocols.
